6 WESTERN DISTRICT OF WASHINGTON
7 AT SEATTLE

8 In re: DEBRA CANTWELL.

NO. MC18-0112RSL

9
10 Underlying Litigation:

ORDER EXTENDING DEADLINES

11 Taxotere (Docetaxel) Products Liability
12 Litigation, C 16-2740 (E.D. La.).

13
14 This matter comes before the Court on the parties' "Stipulation Regarding Time to
15 Respond and Reply to Motion to Quash." Dkt. # 9. The parties agree that substantive responses
16 to the pending motion to quash should not be filed until after the Court determines whether this
17 matter should be stayed. The briefing schedule proposed by the parties is nineteen days long,
18 however, and has almost no likelihood of resulting in the motion to quash being noted on a
19 Friday, as is specified in the local rules of this district.
20

21 The request for an extension of Sanofi's deadline to respond to Ms. Cantwell's motion to
22 quash and of Ms. Cantwell's deadline to reply in support of the motion to quash is GRANTED.
23 The Court will renote the motion to quash if it denies Sanofi's motion for stay, keeping in mind
24 the parties' preferred briefing schedule.
